

**CERTIFICATE OF THE ACCREDITATION APPLICANT
IN THE .LT TOP-LEVEL DOMAIN**

Accreditation applicant:

<i>Title of the legal entity / name and surname of the self-employed natural person</i>	
<i>Code of the legal entity / personal identification code of the natural person</i>	
<i>Added value payer code</i>	
<i>Postal address for correspondence</i>	
<i>Bank account number (IBAN)</i>	

states that these interfaces will be used to perform permitted procedures:

and confirms the following:

1) Compliance with the organisational, technical and financial requirements for the registrars stipulated in the procedural regulation for the .lt top-level domain;

2) Assignment of the following employees responsible for the servicing of registrants and performance of procedures (hereinafter – responsible employees):

<i>Name and surname</i>	<i>Email</i>	<i>Phone number</i>	<i>Basis – employment contract* or self-employment certificate**</i>

* By specifying the basis as "employment contract", the accreditation applicant confirms that the indicated responsible employee (-s) is (are) legally employed under the valid employment contract. This confirmation is also applied with regards to the employees employed by the self-employed natural person.

** The basis as "self-employment contract" can only be specified by the accreditation applicant who is personally responsible for the servicing of registrants and performance of procedures. In such a case it should also specify the responsible employee working under the employment contract.

3) The responsible employees have read the procedural regulation for the .lt top-level domain, including its appendix "Registrars", the privacy policy of .lt domain and other current requirements for the personal data processing, they are sufficiently qualified for the personal data processing and have given a written undertaking to preserve their confidentiality;

4) The responsible employees agree for their personal data (in the determined scope) to be processed in .lt DAS (Domains Administration System) for the purpose of the execution of the accreditation contract;

5) If any of the indicated responsible employees is replaced during the accreditation period, another employee will be assigned immediately, guaranteeing the compliance with the statements 3 and 4 of this certificate with regards to the new employee; data changes of the responsible employees will be performed in the applicant's account in .lt DAS.

ATTACHMENTS:

1. If accreditation applicant is a legal entity – copy of the excerpt from the Register of Legal Entities or other official document (for foreign legal entities) proving the legal entity's registration, code and manager's identity;
